

# STS Registration Form (2008-2009)

## The Reading Tree

5117 Main Street, Suite D, Downers Grove, IL 60515 – (630) 964-5444  
 200 South Main, Naperville, IL 60540 – (630) 637-1975

Our groups are small. As a result, we are able to constantly assess students' progress so that we can provide supplemental help in areas where a particular student may experience difficulty. This is particularly true in math, where some students have not learned how to reason their way through multiple process questions.

Our course may be rigorous, but it pays off. After taking the test one student reported to an instructor, "The test was easy compared to the work you gave us."

We are offering six classes in the fall of 2008 that prepare 8<sup>th</sup> grade students for the STS.

Each High School Placement Test class consists of 8, 1.5 hour sessions

Course Fee: \$350

|                                                                                                                                |                                                                                         |                                                                                         |                                                                                         |                                                                                         |                                                                                             |
